To

Sir,

With reference to Government Proceedings No 20379 / L. Dis 131-94 of the 14th May last calling for further information regarding the temporary employment of a Sweeper to look after the Conservancy of the village of Aynur in the Kumsi Sub Taluk, I have the honor to report that previous to the year 1892, weekly fair was held at Aynur on the public road leading to Harnahalli with sanction of Government in Proceedings No 867-8 / 18 dated 24th April 1891, a piece of land was acquired for the purpose of extending the Town of Aynur and also of providing a plac

a weekly fair to be held there. The weekly fair is now held on this new site, and to attend to the conservancy of this place and to remove the rubbish accumulating from standing carts on these and other occasions, the services of a sweeper were found necessary.

The Amildar reports that he tried to induce the townspeople to remove the manure gratis and keep the place clean but in vain, and that on his representing the inconvenience to the Assistant Commissioner who settled the Jamabandy of the Khanapur Sub Taluk last year, the latter ordered the sale of the right to collect manure from January to December 1895 as an experimental measure. The sale was conducted by the Deputy Amildar in January last, and the proceeds realized therefrom was Rupees 19/-

as already reported in this Office docket No 983/759 dated 18th April last.

3. The Tahsildar further reports that realizations by the next sale will be more favorable.

4. I beg to add that the villagers complained to me bitterly of the transfer of the fair out of the village owing to the great inconvenience they were put to. It was indeed a hardship to them to have to carry all their merchandize a long distance from their shops on market days and great damage often results from rains. I have promised to consider the question carefully and submit their grievance to Government for their consideration. In the meantime I beg you will kindly obtain Government sanction for the temporary entertainment of a Sweeper on Rupees 1/2 per mensem, the amount

ing met from the sale proceeds of
revenue so collected.

No sweepings were collected during
the year and previous years. The village
of Tyrone consists of 210 houses with
a population of 762 souls.

The Vernacular papers ending
with the Deputy Assistant's Stella No
[illegible] of the 18th Ultimo are enclosed
for reference and kind return.
